

Help us to **succeed**,
by paying it forward.

Nautical Club of Kyrenia

Parakayaking Division: **Freedom** and **Mobility**
through **Sports**

1.

Parakayaking - Unlocking the potential

Since its inception in 1982, the Nautical Club of Kyrenia (NOK) has developed a community of strong-willed and passionate sports enthusiasts who appreciate the importance of sport as well as the all-encompassing freedom that comes with being united with the sea. NOK accommodates a wide range of age groups, from children under the age of nine to adults, those over the age of fifty, and people with disabilities.

NOK's Parakayaking Division is currently training 25 athletes with disabilities on a weekly basis at the Germasogeia Dam - or at sea when the weather permits - to help them gain mobility through sports while aspiring to integrate them into an already thriving community as well as envisioning the profound impact of nautical sports. Our success has resulted in 17 of our parakayakers competing in the Pancyprian Championship in 2023.

We invite you to join us in our efforts to help these athletes thrive and to promote the fact that there are no barriers in sport, and that everyone, regardless of age, background, or ability, has a place and is united under the same flag.

2.

Vision and values

Our vision is to connect people through sports, the environment, and to understand our important relationship with the sea, while reinstating the nautical traditions and values that are part of our historical heritage through a learning environment that fosters team spirit, cooperation, continuous competitive improvement, respect, and healthy competition.

NOK stands as a symbol of freedom and unity, representing freedom of mobility and unity through the inclusion of all people in open-air sports, as well as the hope for the freedom of the occupied town of Kyrenia and the creation of a unified community upon its liberation.

3.

Help us to succeed, by paying it forward

Our aim is to continue nurturing tomorrow's athletes through a fundraising campaign, encouraging organisations, businesses, and individuals who have achieved success in their various fields to contribute to this important initiative

4.
